About us

WWW.BIGWAYTRADING.COM

Big Way Trading Company is a dynamic and rapidly growing business established in 2023 in Poland. However, our journey in the world of textiles began much earlier under the name "Terra Tekstil" in Turkiye in 2012. Building on our success, we expanded our operations to Uzbekistan in 2017 and established another company called "One Big Family".

At Big Way Trading, our main focus is on exporting and importing a wide range of high-quality Home Textile products. We specialize in products such as towels, beddings, cloths, threads, and more. Our dedication to delivering excellent textile products has allowed us to forge strong relationships with both domestic and international clients.
