ELAGRANCE EXIM PRIVATE LIMITED

EXPORTER OF APPARELS & HOME TEXTILE

ABOUT US

Elagrance Exim Private Limited's goal is to exceed customer expectations by fulfilling its commitment. Involved in the manufacturing and export of textiles, garments, and made-ups; it specializes in diverse international styles, varied colors and specialty finishes which are tailor-made to customers' requirements. In relevance to production, special focus is laid on the highest quality parameters of color fastness, dimensional stability, yarn quality, and quality assessment in compliance to export standards.

Our Company is involved in supplying Hosiery Apparels, Woven Apparels, trading grey cloth and finished fabrics, exports of fabrics and finished garments and manufacturing garments. We have an in-house swing & Finishing facility in Tirupur, Benglore and tie-up with big unites in Ludhiana, Ahemadabad, Solapur, Panipat, Erode & Madurai of Home Textile and terry towel with the requisite types of machinery and facilities for servicing the value additional needs of the customers. Our Product portfolio comprises a wide range of fabrics such as polyester, viscose, rayon, hosiery and different type of woven fabrics etc. These fabrics come in a variety of materials, sizes, and colors.

At an international level, the main markets in which our products are sold include USA, Germany, France, Spain, U.K, U.A.E, Saudi Arabia, Oman, Kuwait, Singapore and Indonesia.

Further, our company is managed by qualified and experienced personnel who are well-versed in our industry and the business undertaken by our Company. We believe that our management team's experience and their understanding of the textiles industry will enable us to take advantage of future market opportunities thus expanding our business horizons.

We believe that the quality of products plays an instrumental role in our industry. Our Company has the practice of checking the products for quality assurance before they are dispatched to the customers and our Company has a separate quality control department that looks after the quality, strength, and durability of the products.

Our success story is woven by an excellent team of experienced staff who ensure unrivalled quality and service right from the word 'go'. Our state of the art infrastructure and high production plant offer short lead times and therefore quick delivery to our customers.

Vision

We are committed to offer our customers high quality knitwear & hosiery garments and home textile at excellent prices with timely delivery & superior customer service ingrained in all our manufacturing & inspection processes.

Mission

Elagrance Exim is committed to creating a unique fashion environment using a skilled workforce, superior raw materials and complying with social standards. To be the most preferred Garment Manufacturer and Exporter with a reputation as a well-managed, financially sound and customer-oriented company.

Our Infrastructure & Facilities

Elagrance Exim is integrated with its own knitting, bleaching and printing units. With a production capacity of 60000 garments a month, we are adept at manufacturing a wide range of apparel styles and Home Textile. We export our products to all over the world and our esteemed clients in US and Europe and other part of Universe.

Integrated with 5 independent units, each of the individual units specializes in a unique style of garments that enable faster, highly efficient and flexible production standards. The supervisors and quality control (A.Q.L STANDARD) personnel at each unit are thoroughly conversant with the pattern/style to ensure the sustenance of high quality
