SPOFIT INTERNATIONAL

WHO WE ARE

SPOFIT International is the manufacturer of Premium Quality, Innovative and Custom made Sports Apparel and Accessories using exceptional material. SPOFIT is the combination of two words “SPOrts” and “FITness”.

As an owner-operated company, we are able to provide a higher level of services and accountability to our clients through direct communication. Our aim is to create an elevated experience that goes beyond the industry norms for every client. We have taken our knowledge and expertise in the apparel industry, along with our philosophy of superior services, to create products that enhance our client’s identity.

We strive to meet our client’s needs when it comes to any type of apparels. We are equipped with modern technology and having a team of experienced pattern masters and professional designers that are incredibly talented and experienced in custom designing and producing team wear, spirit wear corporate apparels and sports gears for men and women according to the exact specification and preferences of clients from all over the world.

Over the years, we have made sure that SPOFIT International is the place where creativity of both our professional designers and all of our clients is rewarded, and the full potential of any design is fully realized.

We start from the selection of raw material up to the finishing touch and packing, the entire operation is conducted by highly skilled personals. We want every client we work with, to Experience:

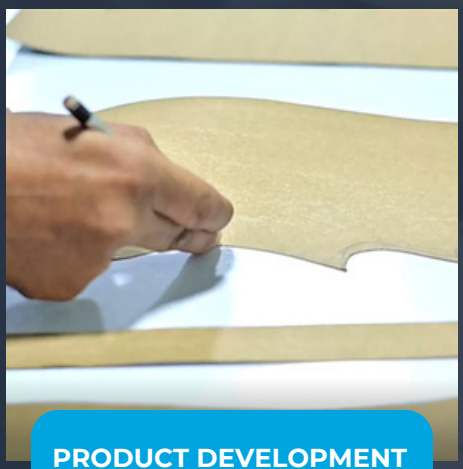

Quality Product | Quality Service | Quality Communication

At SPOFIT, we recognize that to succeed in business, a company cannot be merely average. Both product and service must be superior and we constantly strive to improve both.

Come and discover why clients feel at home with us.
