

New Uberty Co., Ltd. - Thailand's Leading Manufacturer of Industrial Knit Fabrics

New Uberty Co., Ltd. has been a trusted name in Thailand's industrial textile industry since 2000. With a 3,600 square meter factory and 2,600 ton annual production capacity, we offer a diverse range of high-quality, innovative, and eco-friendly industrial fabrics to global customers.

Unwavering Commitment to Quality and Innovation

At New Uberty, we are dedicated to providing superior industrial fabrics through continuous process refinement, material enhancement, and technique development. Our focus on fabric strength, elongation, color fastness, and other crucial properties has earned us a well-deserved reputation for excellence worldwide.

We invest heavily in employee training and innovative product development to consistently meet and exceed the evolving needs of our customers.

Embracing Sustainability

Recognizing the importance of environmental responsibility, New Uberty has embraced the use of eco-friendly materials in our fabrics. This commitment allows us to contribute to a more sustainable future for our planet.

Diverse Product Range

Knit Fabrics

We offer a range of industrial fabrics, including Polyester PK Terry, Fiberglass, T/R PK, and various others.

Eco Fabrics

We offer a range of eco fabrics with materials from recycled polyester, biobased polyester, biodegradable polyester to recycled nylon and biobased nylon.

Specialty Fabrics

From fire-retardant to anti-bacterial, our specialty fabrics are engineered to meet the unique requirements of your industry.

Customization and Flexibility

Tailored Solutions

We work closely with our clients to understand their unique requirements and develop customized fabric solutions to meet their needs.

Quality Assurance

1 **Rigorous Testing**

We conduct comprehensive testing at every stage of production to ensure our fabrics quality.

2 **Certified Processes**

Our manufacturing processes are **ISO 9001:2015** certified, demonstrating our commitment to quality and service.

3 **Customer Satisfaction**

Our dedication to quality is reflected in the consistently positive feedback and repeat business from our global customers.

Your Partner in Success

At New Uberty, we are not just a manufacturer; we are your trusted partner in success. Choose us for high-quality, innovative, and eco-friendly industrial fabrics that meet the demanding needs of your industry.
