
HUMATEKS

About Us

HUMATEKS has been founded by four friends who combined their production, design and marketing
experiences in textile business for more than 20 years.
Having worked in different areas of textile business, they have decided to continue their business in
their own company.
Machinery:

- 12 looms for towel weaving
- 12 looms for fabric weaving
- 10 looms for jacquard fabric weaving
- 40 sewing machines
- 1 edge sewing machines

With its machiner, HUMATEKS produces many kind of products for home textile like towels, bathrobes,
kitchen towels and shirting fabrics.
Main mission of HUMATEKS is to give the best service to its customers. With its high end products and service, HUMATEKS have been producing quality products for many brands for years.
