ABOUT OURSELVES

URVALCO Suzhou Ltd. – we are founded in 2022 and operate mainly in technical segments with the export f high quality solutions. Our export of **specialty bags** was born due to a demand in one of those segments with a client in Germany. We are located in Suzhou, China, as a foreign direct invested (FDI), wholly foreign owned enterprise* (WFOE). We cooperate with a local textile manufacturer having 3 manufacturing sites.

* registered capital 800 kCNY (100,000 EUR)

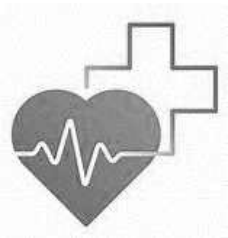

CN-215129 Suzhou, 2 Taishan Road, A-1607, Jiangsu Province, +86-180-3609-4186

OUR DIFFERENTIATORS

Your customer project, we put first. We adopt to your needs and do not ask you to order a full batch sea container, if you do not need such huge batch for the purpose of your application. We start selling w/ MOQ of 2,000 pcs/batch.

- Sample before order placement
- Work in progress (WIP) checks on site
- Logistic plan & packing instruction along with quote
- Final inspection sharing before packing and loading
- Reliable business practice @ secured product quality

HOW WE OPERATE

The manufacturing and process planning is closely aligned with the factory team, who find the best possible way to protect your product from shipping impacts best possible.

Each project will have it‘s own manufacturing & quality plan to secure repeatability and tracability. We do this, because our core business comes from Automotive component supply and we can‘t do things different, than right first time, safe and cost efficient.

Each bag will contain a declaration paper on ethics & quality.
