INDUSTRIES

# OUR HERITAGE

In 1945, after getting technical training in weaving production, Late Haji Mohammad Rafi Shamsi established textile weaving in the capital city Delhi of the undivided Indian subcontinent to cater for the growing demand of World War 2

He continued his fabric business with the same principles of quality and commitment in Pakistan. He settled in the city of Karachi in 1948 and his company re-established the weaving mill in Karachi in the newly developed SIND INDUSTRIAL TRADING ESTATE (SITE) and soon became a leading name in the fabric business in the next few decades

Continuing his legacy, experience and repute, Siddiqsons was established in 1960 by the next generation of Mr. Rafi Shamsi and became a trusted and prominent name in the industrial sector of the country. Business is now in its third generation, sponsors of Siddiqsons Industries are actively participating in the diverse sectors from manufacturing to recreation to real estate and retail and are keenly participating in the economic growth of the country.
