ABOUT RIS

Incorporated in 2010 by young professionals **Amit Chauhan & Om Prakash**, as a trading firm, in a residential apartment of around 800sq.ft, today we are proudly delivering our expertise to over 65 countries globally, with 3 owned properties for in-house production in NCR Delhi & Panipat spreading to over 200K sq.ft.

RIS today is a renowned name **in handmade carpet industry** . Our team designs, develop, manufactures and market a complete lines of Floor Covering stuff mainly Carpets & bathroom rugs, which are sold around the world. We have just launched the Home Textile Category for Decorative cushions, Throws and Kitchen Linen and beaded decorative for Dining in 2024. Our products are targeted to mass merchants, departmental stores, catalog companies & chain stores. We maintain a solid reputation for Dedicated services, personalised attention and quality delivery. We have vast experience in carpets & rugs manufacturing and have been supplying to clients, who seek uncompromising standards of quality and finish worldwide. Our attention to quality control at every step of manufacturing process and beyond, makes a statement about the standards we uphold and maintain.

A little history, a lot of style! What are you waiting for? its the right time to 'décor your nest'!

SOCIAL COMPLIANCE

1

AN ISO-9001 CERTIFIED COMPANY

An assurance that we have strong customer focus, the process approach and continual improvement which in turn help us derive optimum customer satisfaction.

2

AN ISO-14001 CERTIFIED COMPANY

We are constantly working on our environmental performance through more efficient use of resources and reduction of waste.

3

AN ISO 45001-2018 CERTIFIED COMPANY

Our workforce is our backbone and we as an organization consistently work on creating better and safer working conditions for our employees.

4

C-TPAT CERTIFIED COMPANY

With our pledge to fight against terrorism, we adhere to follow guidelines for supply chain security.

SOCIAL COMPLIANCE

5

SA 8000 CERTIFIED COMPANY

We are a business with socially accountable practices followed at the workplace and committed towards ethical & socially responsible manufacturing.

6

SEDEX

With this ethical trade membership, we manufacture and operate responsibly, sustainably and ethically.

7

BSCI AUDITED FACTORY

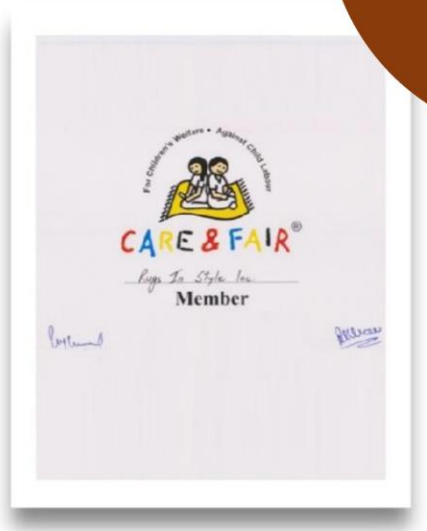

We are committed to improving our social compliance and in process ensure that we source and manufacture ethically and legally.

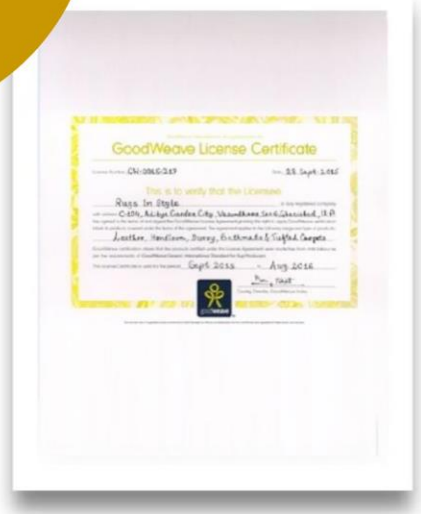

8

AN OEKO-TEX CERTIFIED COMPANY

With our assurance that the products are free from harmful substances, this label stands for customer confidence and high product safety.

SOCIAL COMPLIANCE

9 **Global Recycle System [GRS]**

We follow GRS standards to verify recycled content in the product and that responsible social, environmental and chemical practices are followed in production.

10 **BETTER COTTON INITIATIVE**

Proud to be part of the largest cotton sustainability program which transforms cotton production worldwide by addressing the negative impacts of cotton growing and processing.

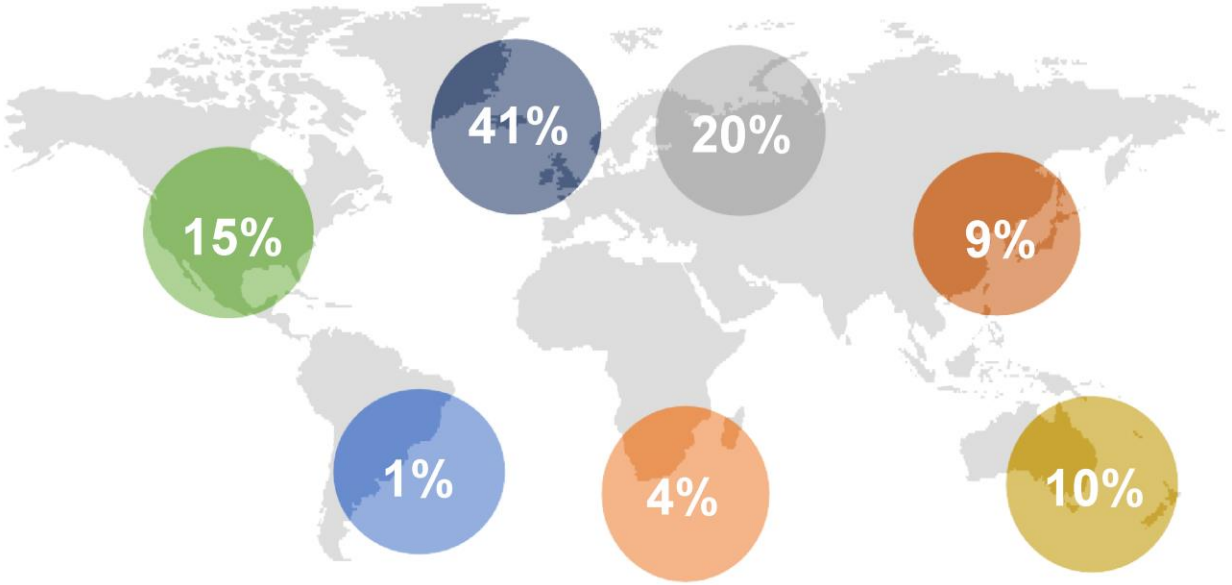

11 **CARE & FAIR**

Proud to be member of the program which is working to fight illegal child labour and to improve living conditions of rug makers and their families.

12 **GOOD WEAVE**

An assurance that no child, forced or bonded labor was used in the making of rug.
