COMPANY PROFILE

SYMBOL OF QUALITY
HIGH FASHION FABRICS

ARIHANT

Suiting & Shirtings

The quest for perfection is ingrained in modern fashion technology, right from the start of the raw material and ending with the delivery to the customer. It is this demand for perfection that has driven the growth and philosophy of the textile industry.

Arihant Syntex is immensely proud of its role as the holistic maker behind every single fabric that is produced, with good quality at a competitive price and on-time delivery.

01

Founded in **1990** by **Suresh Lunkad**, a textile connoisseur along with his close-knit brothers and esteemed family of employees, started with a small trading circle for formal wear.

Later on, devoting his dream and headed the Textile operations with **30 years** of experience in various aspects of Textile Manufacturing and Marketing.

As a fabric manufacturer, we work with top-notch brands pan India and globally.

Arihant Syntex was established in 1990, Over its two decades of chequered growth, it has expanded beyond our expectations. Arihant elaborates expressive fabrics that transcend all trends and style statements. We commenced operations with the manufacture of a premium range of products like cotton plains, cotton dobbies, blended fabric, printed fabric, linen, knits, semi-formal, clubwear, and jacquard with nearly 200 contemporary designs.

We exist to provide Superior customer satisfaction – developing solid, long-term relationships with our customers.

Today, Arihant has carved a niche for itself on the textile map. We are focused on meeting our customers' individual needs.

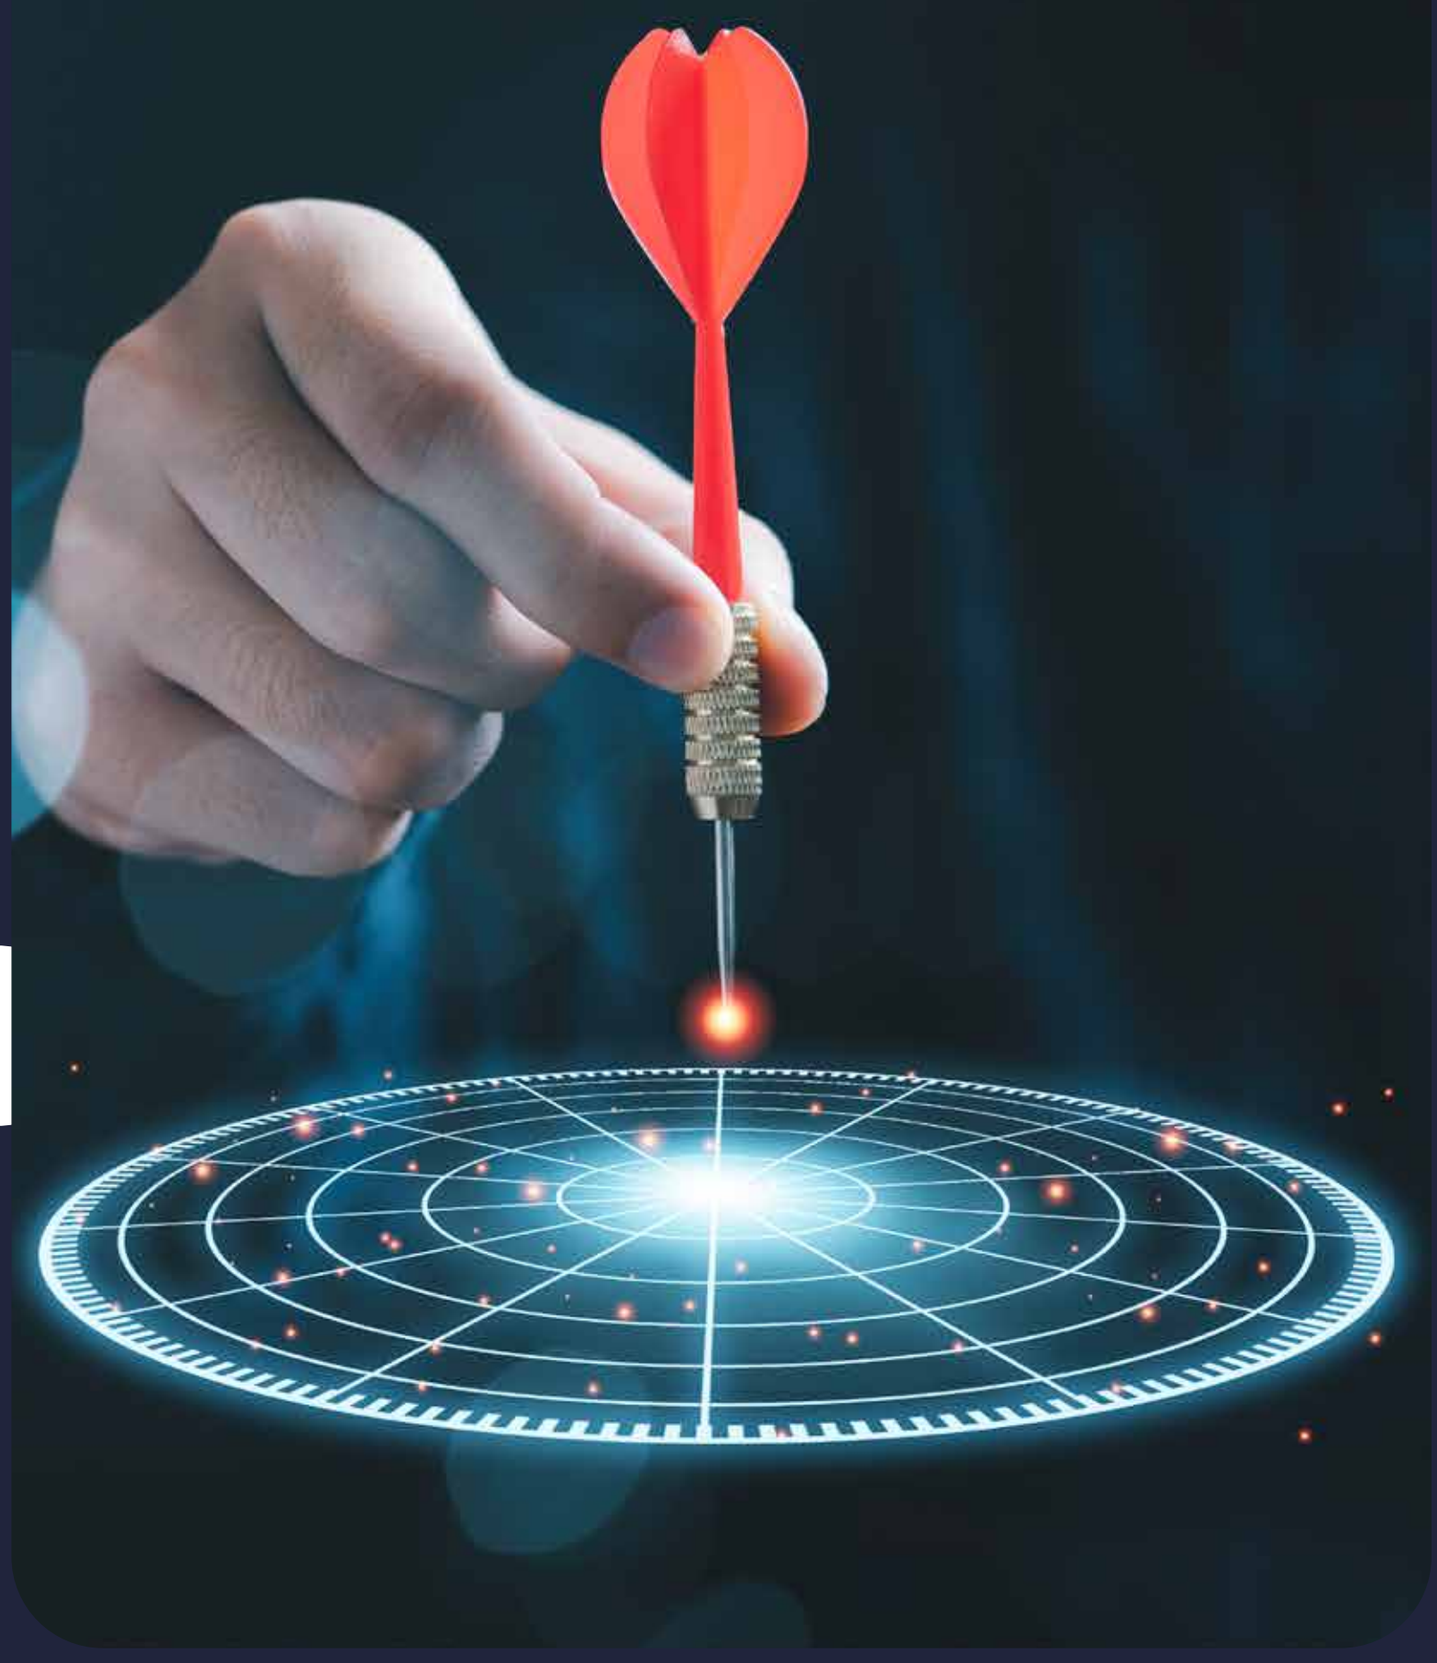

The latest styles and trends.

Timeless fabric with trendy designs.

Our product range consists of 100% cotton-like cotton plains, cotton dobbies, blended fabric, printed fabric, linen, knits, semiformal, clubwear, and jacquards.

Arihant Syntex offers beautifully handcrafted men's wear as well as a wide range of fabrics that meet the highest standards for quality, style, value, comfort, and innovation. With our crafty approaches to men's fashion, we've introduced new crafty styles in knit base, bottom wear prints, suiting, and shirting.

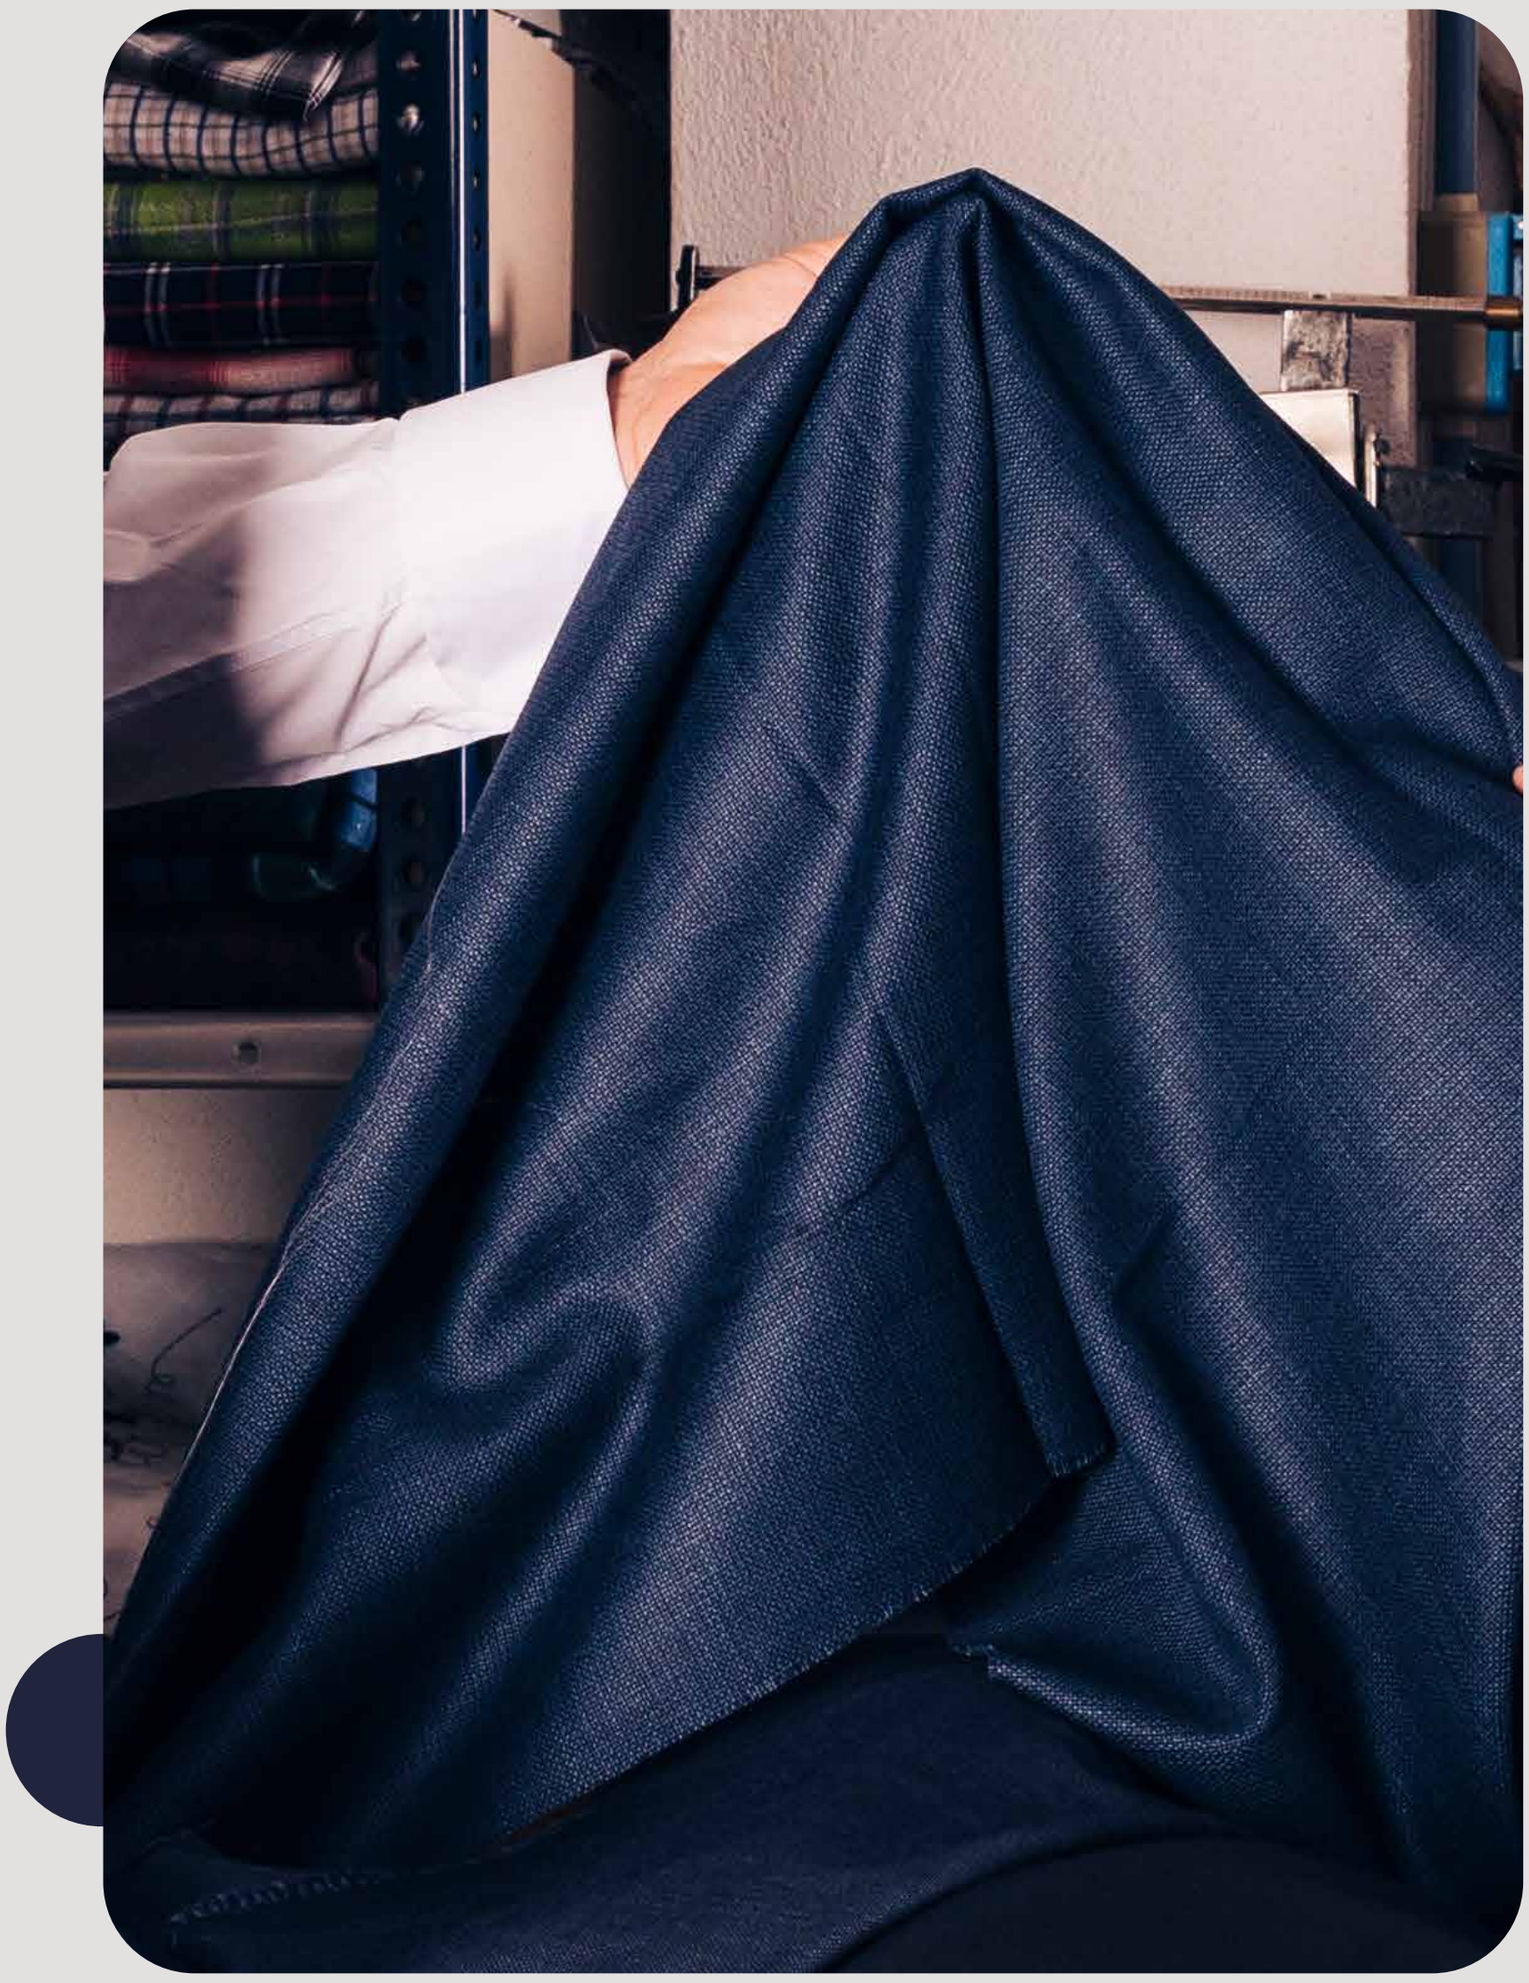

VISION STATEMENT

Be the leading manufacturer of quality fabrics in India as well as on the international market by exceeding all the set boundaries and goals, with the best of service.

MISSION STATEMENT

Entitle the faith of our customers with goodwill and by investing in the latest technologies & innovation while providing them with affordable, high-quality products.

We are driven with passion and goodwill at our heart to provide best of the best quality fabrics through innovative and frequent quality assurance checks.

We hold quality in the highest regard at Arihant Syntex, and our quality control personnel ensure that quality is maintained throughout every stage of production including:

- Finest Weaving artistry

- Top-notch Processing

- Standardized inspection and packaging.

We make premium quality items at a cost-effective price for national brands using our strategic alliances and our tie-ups with recognised unit across India for weaving and processing of quality products. Our in-house design and marketing staff undoubtedly provides us an advantage over our competitors. The entire team contributes to the creation of unique designs to develop a benchmark and execution of samples for the forthcoming seasons.

We provide creative compositions with our skilled weaver associates.

80–100 inspired designs each month

Production capacity of 5-10 lakh meters/month.
