Our Products

Zig Zag Cotton:

Premium zigzag-folded medical cotton made from 100% pure peroxide-bleached fibers. High absorption (23g), sinks in <6s. Ideal for wound care, surgery & medical use.

Sterilized Absorbent Cotton Wool Rolls:

Sterile cotton rolls made from 100% pure fibers, EO/gamma treated. Dense, absorbent, and contamination-free. Ideal for wound care, surgery, and available in 50g–1000g sizes.

100% Cotton Comber Noil:

Comber noil is a soft, absorbent cotton byproduct (18–22mm fibers), bleached and ideal for medical cotton, non-wovens, and padding. Cost-effective for medical and industrial use.

Bleached, Absorbent Card Strip:

Carded cotton strips, peroxide-bleached for purity, offer uniform fiber alignment and absorbency. Ideal for wound care, padding, and medical products. Meets global pharmacopoeia standards.
