S R FLYERS TEXTILE
INDUSTRY PVT.LTD

About Us

SR Flyers Textile Industry Pvt Ltd was founded in 2020 in Madhya Pradesh. Our founder and chairman have provided exceptional advice and leadership, enabling our production unit and export house to flourish tremendously to this day.

Our company has expanded and solidified its standing as a reliable Manufacturer, Supplier and Trader of clothing in India and other international markets.

We are committed to offering facilities with cutting-edge equipment, capable ofproducing over a million clothes a year, to keep up with the rapidly evolving fashion business.

The business has also worked with small clients and providers to meet the enormous ongoing demand, and these relationships have expanded along with us over time. SR Flyers Textile Industry Pvt Ltd has created a name for itself in the market for high-quality premade garments for men. Our ability to meet the various needs of our clients has been made possible by our robust raw material procurement base throughout India.

Our Objectives and Beliefs

- To be caring for personnel and customers and customer-focused:
- It is an attitude we operate with rather than a declaration. Our organization wants to establish a culture that values personnel comfort and client happiness.
- Offering competitively priced, high-quality products with timely delivery helps both us and the final customer retain customers.
- The Trust: Getting competitive prices, timely raw material delivery, and high-quality raw materials by paying our vendors on time or even in advance.
- To contribute to society and conduct business in a way that upholds the moral and social standards of the workplace.
