

SOCKS CATALOGUE

AIR GARB

INTRODUCTION

Our manufacturing facility has the capacity to produce 10,000 pairs of socks per day. Our team of professionals ensures that all orders are delivered on time. As manufacturers of high-quality socks for women, men, children, and infants, we are committed to quality and providing a hassle-free and seamless experience for our customers.

We are the preferred choice of several leading brands in India. Additionally, our exporting capabilities enable us to cater worldwide. Our manufacturing facility is located in Coimbatore, near Tirupur, a hub for garments
