

Blutaz Clothing Ltd.

# ABOUT OUR COMPANY

At Blutaz Clothing Ltd., we specialize in innovative, sustainable, and high-quality apparel sourcing. Founded on January 31, 2023, in the UK, we cater to global clients with responsibly sourced merchandise. As your trusted partner, we go beyond just sourcing; we offer cutting-edge product development, exceptional customer service, and strategic sourcing solutions that ensure compliance and sustainability at every step.

Our apparel is crafted in Bangladesh, using premium fabrics and accessories from accredited, eco-conscious suppliers who align with our values of ethical production and environmental responsibility.

With Blutaz, you benefit from superior quality, fair pricing, reduced lead times, and absolute reliability as customer satisfaction is our utmost priority.

# OUR VALUES

**Quality:** We are dedicated to provide high-quality products to our customers. We believe quality is not only important for creating long- lasting and durable products but also for building trust with our customers.

**Minimalism**: We understand the importance of simplicity and minimalism in today's fast-paced world. So, we strive to create products that are both functional and aesthetically pleasing. We believe that less is often more, and that a simple yet elegant design can be more effective than a cumbersome one.

**Sustainability**: From sourcing eco- friendly materials to reducing waste in our manufacturing processes, we take every opportunity to make our business more sustainable, minimizing our impact on the environment.
