WE TRANSFORM WHAT WE TOUCH

MILKY FASHIONS IS ONE OF BANGLADESH'S LEADING BUYING AGENCY OF APPAREL, DISTRIBUTING TO MAJOR RETAILERS ACROSS NORTH AMERICA, EUROPE, ASIA AND AUSTRALIA.

Established in 2002 as a privately owned and operated family business, Milky Fashions has consistently delivered fashion merchandise that meets the highest standards for quality, style, and value.

Headquartered in the Global second largest apparel producing country in Dhaka, Bangladesh, we are fast growing and providing outstanding garment sourcing solution to our International Garments Buyers: Fashion Brand Retailers, Wholesalers, Distributors, and Internet Sellers. Our role as a Garment Buying House in Bangladesh is two folds and unique. We represent our Buyers to the Local Suppliers and Manufacturers. Moreover, because of the nature of the Ready Made Garments industry in Bangladesh that is almost based on the cost of manufacture, we represent the Local Manufacturers to our Buyers.

A SOCIAL RESPONSIBILITY

FROM WHERE WE STAND, SOCIAL RESPONSIBILITY GOES HAND IN HAND WITH EVERYTHING ELSE WE DO.

Three fundamental beliefs underpin our thinking

Eco-friendly design
In the licensing, distribution and manufacturing of our products, we are increasingly conscientious of the environment around us. Our company strives to ensure that all our products and processes comply with the environmentally friendly standards being adopted worldwide.

Ethical sourcing
Branded products as well as suppliers are selected for their eco-friendly and socially responsible practices–everything from raw materials to safe working conditions and fair employee compensation. We ensure that all our suppliers operate in the compliance with local labor laws.

Factory audits
We partner with external auditors who visit all of our suppliers on a yearly basis to ensure compliance with standards established by the Fair Labor Association.

SAFE & COMPLIANT Factories

A HUMAN-CENTERED APPROACH

MILKY FASHIONS HAS GROWN ON THE STRENGTH OF A TEAM WHOSE MEMBERS WORK TOGETHER TO CREATE THE HIGHEST QUALITY GOODS AND APPAREL IN THE ESTABLISHED TIMEFRAME.

We believe our clothing speaks for itself in that it communicates style, versatility, reliability, and flexibility. We have been a leader in the business for the last 22 years and have secured an excellent reputation in the garment world. We handle production, design, management, and communication. And because we change manufacture to develop all types of apparel, we don't consider ourselves as specialists in any single area, but rather as experts in all.
