OUR QUALITY POLICY

We have the highest standards for maintaining quality starting from purchase of Yarn up to Finished Product. All this being managed & operated by professionals & skilled labor.

The Yarn is being procured from certified mills producing high quality product. Weaving & knitting are then constantly monitored to ensure accurate sizes, weights & finished look. Processing is done using dyes from Switzerland to ensure colors are bright and do not bleed, the fabric is then finished on high quality tumblers or stenters to give it an arranged and fresh final look. Cut to Pack is done in accordance with international standards in a comfortable and clean environment and on latest stitching machines to ensure high speed production and minimal defects.

Our QC team is present at every step of the way rectifying and reporting errors in all steps or production. After through QC and final inspection being done twice, goods are packed in carton and are ready to ship.
