# Global Manufacturing Partner for High-Volume Home Textiles

## The RAK Advantage:

**RAK Textile is a vertically integrated manufacturer specializing in trend-driven, high-performance soft goods. We provide a comprehensive "factory-to-shelf" solution, delivering premium quality, consistent performance, and scalable production for global retail and hospitality leaders.**

## Core Manufacturing Capabilities:

**Our specialized production units deliver high-velocity solutions across four primary categories:**

- **Bedding (100k+ Units/Month): Expertise in both woven and jersey qualities. Our portfolio includes Duvet Sets, Fitted Sheets, Comforters, and complete Sheet Sets.**
- **Bath & Wellness: Premium 100% cotton constructions in Terry, Waffle, and Velour. We offer a full GSM spectrum for Bath, Hand, Face, and Beach towels, alongside customizable luxury bathrobes.**
- **Kitchen & Table Linens: High-durability Duck fabrics and 100% cotton solutions. Our range covers Table Covers, Aprons, Oven Mitts, and high-absorbency Kitchen Towels.**
- **Performance Textiles: Advanced waterproof technology featuring PU/TPU coatings. Specialists in Mattress Protectors (Terry, Coral, Flannel, and Cooling/Tencel variants).**
